

BOLSOVER COMMUNITY SAFETY PARTNERSHIP PLAN 2017-2020

March 2018

Working together to reduce crime and disorder and improve the quality of life for you and your community

Welcome to the Bolsover Community Safety Partnership Plan covering the three years 2017 to 2020. This plan sets out how the Bolsover District Council, Police Derbyshire County Council, National Probation Service (NPS), Derbyshire Leicestershire Nottinghamshire and Rutland Community Rehabilitation Company, Derbyshire Fire and Rescue Service, North East Derbyshire and Hardwick Clinical Commissioning Groups together with voluntary and community sectors will work together with the communities of Bolsover district to reduce crime, disorder, anti-social behaviour, substance misuse and re-offending in order to keep Bolsover district a safe place to live, work and visit.

The Plan aims to reduce the number of crimes and anti-social behaviour in the district, but in some categories it aims to increase the number of reports where historically victims have not felt confident enough to report it to us. By increasing reporting we will then be able to offer support to those victims and take appropriate action against the perpetrators.

Crime and disorder impacts not only the victims but also on the quality of life of the wider community so we understand how important it is for you that we tackle it in a timely, efficient and effective way.

We are confident that this Plan not only addresses the priorities that have been identified through our analysis of evidential information and performance but also the concerns of the people of Bolsover district.

We recognise that as a Partnership we have a duty and responsibility to continue to tackle crime and disorder which affect the safety and wellbeing of everyone who lives, works or visits our district.

Our continued aim is to work together promoting community safety, protecting the vulnerable and making Bolsover District a safer place for everyone.

Councillor Brian Murray-Carr
Chairman of the Bolsover Community Safety Partnership

Bolsover District

Bolsover district is situated to the east of Derbyshire with its borders on the Peak District and Sherwood Forest. Bolsover town has a significant amount of historical importance with the main tourist attraction being its 17th century castle built by the Cavendish family and visited by thousands of people each year. The M1 Motorway runs north to south through the district providing a transport connection to the rest of the country.

The district has four medium sized towns; Bolsover, Shirebrook, Clowne and South Normanton. These towns are part of urban areas which provide a range of facilities, services and employment opportunities to the surrounding areas. A significant proportion of the population of the district live within the 4 main towns. Outside the market towns there are scattered farms and small villages in a mostly open rural landscape punctuated by compact settlements.

Purpose

The aim of the Community Safety Partnership is to reduce crime and tackle community safety issues. To achieve these aims the Bolsover Community Safety Partnership has produced a three year Plan that identifies local priorities and what action the Partnership will take to address them. This Plan links to the County Community Safety Agreement and the Police and Crime Commissioners Policing Plan and is refreshed annually.
