#### Introduction

As a member or co-opted member of the District Council I have a statutory responsibility to have regard to the following principles when representing the community and working constructively with staff and partner organisations to secure better social, economic and environmental outcomes for all.

In accordance with the Localism Act provisions, when acting or appearing to act in my capacity as a councillor I am committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in the Council.

#### The Seven Principles

**SELFLESSNESS:** Holders of public office should act solely in terms of the public interest.

**INTEGRITY:** Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their families, or their friends. They must declare and resolve any interests and relationships.
